

BILL COLLINS & THE RABBLE ROUSERS ::: NEW HARD TIMES

AHOY!

©01-2007 Bill Collins

All about the Spanish Main the crew and me are known
Out to do the devil's work under the skull and bones
Ruthless buccaneers are we and plunder is our trade
Treasure ships they turn and flee on sighting our sails

Scourge of seven seas - **Ahoy!** - We do as we please - **Ahoy!**
A fearsome company - **Ahoy!** - Ahoy! Ahoy! Ahoy!
When treasure ship's in sight - **Ahoy!** - The old sea wolves delight - **Ahoy!**
Let's go do `em right - **Ahoy!** - Ahoy! Ahoy! Ahoy!

Now board `em boys we're close enough to smell their stinking hides
No way in Hell can they prevail against our fearless tide
So now we stride the bloody deck and hear their final cries
They curse us even as they fall - no quarter in our eyes

So pull up there beside - **Ahoy!** - Gun ports open wide - **Ahoy!**
Nail their wretched hide - **Ahoy!** - Ahoy! Ahoy! Ahoy!
One more broadside rum - **Ahoy!** - Decks with red do run - **Ahoy!**
Now they are undone - **Ahoy!** - Ahoy! Ahoy! Ahoy!

Outlaws of the sea are we - we ply our fearsome trade
Although we piss away the spoils each time our fortune's made
Although we know what must befall if capture is our fate
No mercy from a gallows rope when our debt's repaid

The Brotherhood are we - **Ahoy!** - Scourge of seven seas - **Ahoy!**
A fearsome company - **Ahoy!** - Ahoy! Ahoy! Ahoy!
Our own code have we - **Ahoy!** - Wolves upon the sea - **Ahoy!**
Savage, wild and free - **Ahoy!** - Ahoy! Ahoy! Ahoy!

Ahoy! Ahoy! **Ahoy!**
