

BILL COLLINS & THE RABBLE ROUSERS ::: NEW HARD TIMES

I SAY UNION!

©02-16-2006 Bill Collins

We want a Union - they say no
Round and round and round we go
Time to make our stand we know
`Cause they want to run the whole damn show

CHORUS:

I say Union - you say *Now!*
Union - *Now!* Union - *Now!*
We're on the move and we won't back down
The Union's coming to your town

They don't want to pay us what we're worth
Don't want to pay us what they owe
Don't want to pay a living wage
Time to stand up and say "No!"

CHORUS

Now's the time to make a sound
Now's the time to stand our ground
No more we'll be pushed around
We've got the power to shut them down

CHORUS

Why are we here? Well it's just because
We're dedicated to the Union cause
We'll make some noise and raise a fuss
And show our power to the big bad boss

CHORUS

Union - *Now!* Union - *Now!*
Union - *Now!* Union - *Now!*
Union - *Now!* Union - *Now!*
The Union's coming to your town!
