

BILL COLLINS & THE RABBLE ROUSERS ::: NEW HARD TIMES

## UNION SONG

©08/19/2005 Bill Collins

We will tell of our plight on the picket line  
We will let our banners fly  
We will carry the fight through the rain and shine  
We will raise our voices high

**CHORUS:**

Fight together and win `till the day we die  
We're the Union tried and true (*Oh yes it's true!*)  
And we won't deny our Union pride  
Stand together - me and you

Oh why is it - they won't listen  
To our woes that we stand here for?  
Until one voice - joins with many  
And we're too loud to ignore

**CHORUS**

And they'll try to - talk about us  
They will put the Union down (*Oh no they won't*)  
We're the Union - never doubt us  
Here until justice is found

**CHORUS** (Repeat last 2 lines)
